Jay....your approach to "piss" a big one off, that's the way to go on BS. I hate to admit it, it's not my favorite approach to FFing, but man, it works.

I believe it. I was heavily armed too...had my streamer box and everything in the car; but I wanted to get on the board and stuck w/ nymphs.

By the time I got a fish, I realized I was too far from the car to go back and re-rig. Next time...just wish I lived closer!
