You still have time to rethink your trip. Bozeman is the best hub for a trip IMO and I'm sure most will agree. I will also agree that driving is a waste of time when you could be fishing. Furthermore, you can plan an awesome trip simply by using the MT.gov website. You can find hotel info for cities in the state here

http://www.visitmt.com/places_to_stay/hotels_and_motels/ It's so easy to plan out an awesome trip. There's so many better systems than the Bitterroot.
