I don't take credit for this pattern. I have Been talking to a couple of friends in the Erie area. They wanted something that would look like a muskrat.

I got the Idea for the pattern From Ken Capsey from Vermont Fly Guys.

It does take some hair and Some time. I have been using the back part of natural bucktails. The longer the hair the better. it is on a 6/0 hookeyandfly hook

sandfly SBS??

tyeager ha!!

I drink only the finest well water..
