Bing,

this was my intent but I did not want to mention them, with the recent issues with them and the fact this is a fly fishing site.

There is a meeting on Tuesday and I plan on bringing this up and Making a motion to point me head of Conservation/ Stream Improvements. I want to create a committee to focus on this stream as well.

Thanks attackone but I plan on using T.A.P. for this one. If I get any opposition I will contact you personally on this issue.

Thanks for the insight guys.
