Folks, glad to here. Life long fisherman and have decided to give Fly Fishing a try and really looking forward to it. I live in Bucks County along the Delaware River and spend most of my summers kayaking from Yardley to Trenton. Most of the time I venture to the islands on the river looking for smallies. I just purchased my first Fly Fishing rod which is a 5wt TFO Left Kreh Finesse combo which came with a Cabela's Pretige Plus reel. Looking to practice my casting on the river and than start to explore some of the streams that this beautiful state has to offer. Someone mentioned that Hickory run state park is only about a hour and a half away and has some nice streams. I look forward to meeting everyone and learning alot.
