I plan on fishing up above where they stock. Our plan was to drive up to the gate I hear about and then hike up into where Baker, Shoemaker, Clenenden Branch, and Cold Fork come together. Then hike out to Eagleton Road and then catch a ride to my camp.

Have fun! Study your maps carefully and figure out where the trails and cabin drives and gas lines etc. are located. It's rugged country and not a good place to get lost. (I did one time!)
