costa are the way to go. I think it 560 that is the highest they go. they make everything look better.

580 is their high end lens. You can get them in glass(580G) or Polycarbonate(580P)

Like a lot of people on here, I hate paying retail for anything. I'd say got to Bass Pro or somewhere that sells Costas and try them on, see what fits. Then hit ebay for your purchase. Ive got several pairs on there for
