many thanks Lee!!! Great to have a nieghbor on here. Thanks for the instructional get together. That sounds like a lot of fun with some great lessons. I will certainly keep that in mind. Hope to meet at some point down the road!!!

Pat ... there is another (or more) guy from our backyard but the names slip me right now. He also hits the Delaware in our area for SMB and other WW species. Im all for hitting that up as I a like meeting new people to fish with ... on a selfish note I also appreciate receiving knowledge on the quality places holding fish 😊. We'll try to get a few of us to meet up when the spring/summer comes around.
