I grew up near the river and fished it as a kid, it's pretty good fishing. The fishing has improved since then and is quite good at times. A kayak is perfect for the 'D'. I can't suggest any places to fish except around the mouths of the tributaries are usually productive.

As for Hickory Run, it's not too bad a drive depending on where you are in Bucks, but getting on the TP at Quakertown is your best bet, get off at I 80 and take that 1 exit west. That's about an hour from Qtown. Take 534 south and you'll be there in another 15 minutes. Very good fishing most of the warm weather months.
