Fishidiot,

Marburg has 26 miles of shoreline, and is >100' deep, so a couple pix won't spot burn that wonderful lake? The Park Ranger (a young guy, Keller is retired now) told me there are over one million white perch in that lake! Great tablefare, great fighters on a fly rod, and they bite all day! There are signs all over the lake that say "Please keep all the White Perch you catch"
