Hey Pat,

Welcome aboard. I'm also a newbie, and from Bucks Co. too. I'm right up the road in Newtown Twp. I've been fishing the river and a lot of other local places. This past year I've fished only with the fly rod. I've done great with all the warmwater fish for my first year with a fly rod, but catching trout is another story. Hope to see you and some of the other guys at the newbie jam.

I can so relate! I've caught more WW species in a day (more then double or triple) compared to my count on trout. Thats said; by late fall, early winter I came around a lil but much more to learn.

Still a blast but i have cabin fever. Hope to have some more time after this weekend ... abt 5 weeks since I last fished 😊
