i have mucilin and heard that it works i just did't try it yet.

free scrap wood + old wood drum sticks + paper clips + \$2.13 thread = many many many leaders.

i always over do it and have around 10 spare leaders and will be swinging by saturday night at the 7 mountains jam if anybody wants to try one look me up and i will give one to you. or maybe trade for a cold beer! i can also explain how to make one.
