Got a chance to hit a stream on my drive home from Virginia yesterday. Glorious February day weather-wise and fish-wise too. Don't know how many I had but it was quite a few. Below are some pics plus a nice pool where I picked up like 10 fish alone. The biggest fish I caught yesterday all took the dry and the rest hit the dropper fly. Get out guys, cure that cabin fever, brookies can be had!

And before you ask H-A, yes that is the same Stimmy I have been using for like 5 or 6 outings now. LOL
