Yeah, my view on Penns accomadations anymore is:

If proximity to Elk Creek cafe (beer) and fly shop is important - look into the Feathered Hook B&B.

If proximity to stream is important, you are confident stream is in good shape, and are ok with camping - Poe Paddy CG in a tent.

If planning ahead, and concerned about weather conditions for tenting, or stream conditions (Poe Paddy CG is isolated with no other options) - cabin at 7 Mountains Campground is the way to go. Best access to Poe Paddy without being so "pre-committed" to a game plan.
