GreenWeenie,

Obviously you have never been to the Little Lehigh CR/FF section. Its not 50ft by 500yds, and the fish are not "captive".

I dont understand how you can be so upset about one guy, then in the same post justify others. Sure Blain didnt handle the fish as gently as others might, and he used a lure that offends some. In the end those fish swam away and within a week or so their lips healed up. The same cant be said about alot of the fish swimming in the Little Lehigh CR/FF.

The only way you can 100% guarantee not to hurt a fish is not catch them at all.

Good luck, Tony
