Dwight: In this 1928 publication, the author, Fred Rogers, mentions the "Cold Watch" as being located below the mouth of Ogdonia Run. He does not explain the origin of the name or the nature of the water at that location but he mentions that it is (was) located on the Moses Lewis Farm. I believe Charles Lose mentions fishing the Lewis Farm in "Vanishing Trout."

Good stuff. I think Vanishing Trout also mentions there being a Lewis sawmill. There is still a Lewis Lumber company in the area.
