Do you need a head-count for this event? I may bring a couple of newbies that I introduced to FF last summer. Unfortunately for them, I've shown them all my bad habits & unconventional methods. I would be good for them to see how to do things the right way.

This is funny! Tim, if you've mentored those newbies, they're off to a great start. IMO, they're very lucky to have you teach them.

To the brookie video crew - I can't wait to see the footage we took today. Some great approaches, casting, and techniques. It was obvious to me why you guys have such good results on-stream. Very impressive! Thanks for putting in time to help the newbies - I'm sure they'll like this presentation. 😊
