Hey everybody. Once again my club is going on a field trip down to the LL. Last time was a success however not many fish were caught. Everyone learned a lot and had a ton of fun which is the goal this time. Last time we had some volunteers come down and meet up with us, and go out fishing individually with each club member. I hoping we could scrap up a few people that aren't busy March 2nd (This upcoming Saturday) that could help out. It will be from 9:30 - 2, although that is the time we want to be actually fishing. We will be there 9:15ish. Thanks everyone!
