Good seeing everyone at the show. enjoyed Lefty's talk, and his casting is always worth seeing. Listened to John Arway talk about the state of the PFBC, he has some good ideas and seems like a really good guy.

Picked up some much needed patridge, marabou, thread, hooks etc.

grabbed 2 reel seats for 4 bucks at the flea market table, and picked up one of Ryan's fly boxes. Now I gotta get busy and fill it up!

oh yeah, had a double baloney with egg at primantis.
