I wouldn't think that's the best day for getting guys since it is the Lancaster show. I myself can't even go to the show because I'll be flying home Saturday and won't land until the afternoon. I really want to get out there and help one of these days but one has to pay the bills first!

Yea I know there is the show but we aren't going to cancel! A lot of club members can't go so it may only be 3 or 4 guys this time.
