I think some of the folks that tend to think Marburg is all it can be need to take a few fishing trips. There are some real gem Lakes with in an eight hour drive of Hanover. New York has its finger lakes, lake oneida and chataqua (spelling) lake. All out of this world lakes.

Now I know you all will say yea but those lakes are huge compared to lake Marburg well ok. What about Maryland's Deep Creek Lake only a little bigger than Marburg but far and away a more productive lake. Than some of you will say none of these lakes have white perch ok. Well I have to tell you I would say all of Baltimore county's lakes Pretty Boy, Loch Raven, Liberty are far better than Marburg oh and liberty has stripers.

Folks Lake Marburg is a testament to how the state of PA mismanages its lakes. Plain and simple
