broach .. yea. Wife was cool and tried to switch his date but it didn't work with some of the vendors. May head up for an hr or 2 early in the am b/ there a 2 stations I really want to hit (brookie and where to fish) and I need to brush up on my casting. I'm not even sure if I can do that but if so, carpooling is out of the question unless youre planning on going for a short while.

///Doc .. do you hit up the Pineville Tavern? Decent food for Bucks and their wings are solid.
