Welcome Chromid and congrats on retirement.

Glad to hear you've enjoyed PAFF and decided to jump in. We've got a nice crew here. Like many online communities, our group leans toward a younger demographic and all levels of skill/experience. There are, however, many old fly fishing hands with decades of experience who enjoy hanging out here too.

Glad to have yuh.

What Fish is not saying is the reason we lean toward a younger demographic is that so many of us have arthritic knees and backs. We need the support! 😊
