Drews,

Just sent you 300 hooks from allen. They were out of size 14 nymph hooks however. I am sorry it took so long but my schedule is crazy right now. I just put in a hairline order and will try my best to get a care package of material. Again I appologize for the delay on this.

Keep me in mind if you are taking anyone out on the first day, I would be more than happy to donate some time.
