I dont typically count that much anymore.

Winter 5+ is a great day

Spring anything double digits is great I would say 20 is slaying them.

I love the day after the fishing rodeo on the little conemaugh. I landed 40 in 2 hours. This is nothing special though since there are around 500 put in for the rodeo and typically only tagged fish and large fish get taken from the stream. It was a blast but it is what it is, fishing in a hatchery pretty much.
