I landed over 80+ on the gunpowder in the winter of 08 in one day in one run. This doesn't count the fish I leadered. Then my number would have been 100+. The fish were stacked and they were gorging themselves during a crazy hatch. I had to have caught the same fish over and over again. I just can't imagine there being that many fish in that run. However, the gunpowder had many more fish and they were bigger back then. That all changed after the flood...
