Near belfast there is Straid Fishery. I fished there extensively when i lived there. Nice size trout, all stocked rainbows. Fly fishing only, but i believe the now have a small bait lake.

Near Lisburn there are a number of good fisheries.

Dungannon park lake is between Lisburn and Omagh.

You'll find others here, <http://www.wheretofish.co.uk/category ... ocation/northern-ireland/>, but those ive mentioned are probably the pick of the bunch.

Good luck
