most trout i ever caught is four.

its more about a day outside for me.

1 fish is a day. anymore than than 5 or 6 is too easy - i came into fly fishing from Atlantic Salmon fishing then
striper fly fishing.

I once had three fresh salmon one Morning on the Cork Blackwater where i have a small house - that is a day of
a lifetime.

two years ago i had three sightfished keepers (stripers over 28") one dawn on Cape Cod Bay. i went home after
that for a fried breakfast to celebrate.

it's what ever floats your boat guys.
