Dear Jeff,

I saw you there attentively attending to your booth yesterday. I wanted to stop by and say Hey but you were actively involved in conversation and seemed to be busy.

If anyone ever told me I could be this big and be unnoticed I'd have said they were FOS but I managed it just like a Ninja yesterday.

I'm proud of my new skills.

Regards,

Tim Murphy 😊

If someone said I was actively engaged in conversation I would say they were FOS. Lol. Likewise, your ninja skills man not be that great as I may or may not have been a little sleep deprived yesterday.

Lefty was left handed as a kid, however he tore his (insert medical thing in arm here) and had to switch to Righty Krey. - source Formerly Lefty but now Righty Krey.
