Steven,

FI is dead on with Noxie. You can also hit Towhee for picks. When I moved here from MD, I found shore access for these fish next to impossible. If you can get your hands on some sort of watercraft, whether it be a kayak, canoe, or belly boat your opportunities will increase sevenfold. My first day out in my after buying my first yak, I nailed a 37" tiger in a cove near the Tohickon launch.
