Well I woke up this morning and realized I have too many streamer rods, I thought I had 3 but then I found this one as well so as part of the spring cleaning I am going to sell it.

Scott A3 8 foot 6 wt 4 piece. Excellent condition, includes cordora covered rod tube.

\$175 plus shipping Includes cordora covered case.

What Scott Says about A3's

Considered by many to be the best performing rods in their class, A3 rods bring together the blank design and high quality components that make Scott rods the finest angling tools made.

These medium fast action rods are designed to deliver smooth accurate casts at all fishing distances and provide the versatility needed to change fly sizes and line types as conditions dictate.
