haha, I recognize geebee's picture, and took one standing from the same place, I believe. I don't recall the name of the lake, but in the Mourne Mountains. Taken from a little dam. amirite?

We were there for 10 days, slept somewhere new each night, just finding a B&B wherever we ended up each day. Basically traced the coast from Dublin around to Connemara, then straight back across the interior to Dublin. Didn't quite make it to Galway.

I only fished once on the trip. Hired a guide. Lough Conn. Got skunked. So I'm not much help on the fishing end.
