Sorry I missed everyone Saturday, have helped float stock a section of Clarks longer than I care to remember.

Had a great time at the show yesterday, didn't buy much but did get a great deal on a Patagonia jacket (Saturday's cold morning was fresh on my mind). Highlights were definitely talking to the guys on the board FrequentTyer, DeanMyers, firandfeather, and NickR. Also, got to chat with Captain Brian Horsley about what to expect in the OBX this October which was very cool.

Nick, thanks again.
