The schedule is posted on trout legend.

However here you go.

Sessions are Sat and Sunday starting at 8:30- 11:30- then 2:00-5:00

The venues are : Spring Up from the bridge at Benner, BFC the Bridge up stream from the Fed Hatchery, Penns, Coburn down to tressel bridge, Little J Spruce creek up stream.

There will only be 8 guys per stream at each venue all day. Not a lot of water being taken up by this. I have had 8 guys fish near me on Penn's in less then a hundred yards durring a hatch and Spring at times have seen 20 guys from the bridge at benner to the lot.
