Welcome and thanks for your service!

Yes, you can fish year round in PA with the exception of "Approved Trout Waters" from March 1 thru opening day of trout which up in your area I believe is the second Saturday in April. Google PA Fish Commission and check out their site. Great info.

Events. You are in luck, if don't mind driving to Allentown, there is a PAFF Free Event for what we call "Newbies" on Saturday, March 16th but all are invited. Look in the events section for more info.

Good luck you live in a good area for trout fishing.
