If you want a versatile rod you could use for a variety of other stuff, a 5wt 8'6" rod with the level of action you like would work.

The TFO Mini Mag 6/8 8' rod is specifically designed for the exact usage you describe.

As others have said, there are a million answers that could be right.

I caught this a couple of summers ago on a little 3wt. That's why there are a million answers.
