Yeah hopefully we get a good head count soon. I don't have a lot of extra cash, but I'd be willing to bring up a couple dozen eggs and potatoes for breakfast. I can get tons of potatoes cheap from the local farm market.

My GFs grandfather is a farmer and they have a literal barn-full of potatoes so I can definitely bring some to help spare your expense. You're putting us all up, that's more than enough IMO.

They also have beef cattle, so I was going to grab some ground and bring fixins for burgers as well.
