If I can make it, I will bring a crockpot full of pork tenderloin and sauerkraut.

Tenderloin in a crock pot? What a waste of a premium cut!

Uhm turn on low, add sauerkraut, go fishing the whole day. Come back foods done.

It's more of a technique used for something like shoulder or butt. Tenderloin lacks the connective tissue that braising breaks down and turns it into yummy yummy collagen.

Weren't you suppose to be chef extraordinaire? 😊
