Last year I only had a few new streams that I wanted to fish and I did fish them. I actually caught my 3rd biggest wild trout, a 16" brownie from one of them. I also managed the wild trout slam (brook, brown, and rainbow) from another one of the streams. This year I have 4 new streams that I'll try. Other than waiting to get my new waders to be delivered, I'm ready for the new season!
