I am also a big fan of April Vokey. I enjoy reading her blog. She devotes a lot of her time to teaching fly tying and instructing women and youth. She is sending me a signed Fly Gal shirt for the online benefit auction I am putting together as well to help the young girl with cancer.

After reading her BIO it was nice to see that she overcame the obstacles from the drunk driver that crashed into her and is living her dream. My hat is off to her for these accomplishments and building her reputation from her fly tying, instructing, and guiding abilities, and not just her good looks.

My wife however informed me that I will NEVER EVER be allowed to fish with her.

I just want to know what she has against Canadians anyway, I mean she likes Sidney Crosby ;)
