i have the wulff ambush same thing as the rio i think but i was panning in doing this with a spare 8 wt i had laying around and spare reels just not sure about the running line i was thinking amnesia ill probably end up not making my own heads (but thanks sandfly i liked the post) im not worried about mending its going to be streamer only in bass ponds and bigger rivers never know maybe ill try for a mucky or pike with it those are what my intentions are
