I'm in. I would like to bring my son as my guest. He is really into all of the civil war history stuff and I have been looking hard for any excuse to spend some time on the Letort, it has been a long time. What a perfect scenario! .....However, swingin' wet flies on the Breeches beside my son would also be cool and probably easier to get him into some fish. Dang, these tough decisions. Thanks Dave, this is a great idea.
