I'd like to swap the following spools of thread and wire if anyone's interested.

UTC Ultra Thread 70

Yellow (3 spools)

Olive (7 spools)

Dark Brown (3 spools)

Blue Dun (3 spools)

UTC Ultra Wire

Green (1 spool brassie, 2 spools small)

Olive (1 spool small)

I'd swap for CDC, parapost, dyed turkey biots, snowshoe, muskrat, deer hair for winging or spinning, 8/0 - 14/0 black or olive tying thread, or possibly some other tying materials. Contact me if you think you might have materials to swap for any of the thread and wire above.

If you'd like to buy the thread or wire for cash, \$20 for all of it or \$1/spool plus postage.

Send me a private message if wish to discuss.
