Quill Gordon (March Brown?) Summit: 4/26-4/28, Potter County, PA.

A little more than a month to go, we should start trying to assemble a roll call and food prep. Some of that is already going on in the other thread, let's start a nice fresh thread for the final countdown. We talked about doing "pot luck" for food, everyone bringing stuff and having it all be one big communal food bank.

So who's in, when are you coming up, and are you willing to contribute to the food/drink pot?

I'll be up in Potter late Thursday morning. I'd like fish the entire stretch of the wild brook trout enhancement water on Lyman Thursday late morning into the afternoon. (5+ miles).

As I said, the cabin has 2 fridges, a big industrial flat top stove, a gas range, and a microwave.
