I'll be there Thursday at some point. There are some streams that I'd like to fish on the way up, so I'm not quite sure what time. Food to be determined at a later date. Was going to bring a keg of homebrew but if I'm going to be stopping on the way I won't be able to leave the kegerator in the back. So..... I'll be bringing cases. If anyone wants to meet me Thursday to fish some amazing brookie streams between Clearfield and there let me know.
