Good eyes guys! First outing of the year I like to bring some vintage gear. Fenwick Fenglass 7.5 6 wt. 1958 vintage Pflueger Sal-Trout (the original large arbor) and a Cortland 333 WF6F - The Shenk's White minnow was the final rose for this 'bow. Bought the rod new in '74 with my lunch money savings. I think I paid almost \$35 for it. A fortune in those days to an 11 year old. Had to replace my broken Shakespeare wonder rod. JG
