Maurice,

Here's the irony in it. Last night I was cleaning this line and I said to my wife "look at this fly line. I bought it in the mid eighties and it has one very minor blemish. It floats like a bobber and it's as straight and supple as the day I bought it".

The other ironic part is I was cleaning my fly tying area tonight so my wife wouldn't complain. Outsider's Law: every good deed deserves a bad ending.
