I know VFTU will be planting trees (opposite of Fade) this Saturday 3/16. I met a few members a couple weeks ago and I plan to attend..I don't think this clearing brush idea was a "sponsored event" by VFTU. I can see clearing out a few things but taking a chainsaw there and clearing it is beyond ridiculous.....In fact it may be a violation.....should check with DEP/CCCD before you work/alter a HQ/EV watershed.....
