Haha, I've almost driven off the road checkin out holes. My wife has no idea how I've never been in an accident.

You can add me to this list too. :)

I have a few scratches on the bumper, from backing up to check a spot out, but no dents.

My wife was in the car and responded with the typical dramatic "I'm gonna die" noises. Scratch my bumper and packed the hitch with mud. Another day in the life of a Clearfield redneck such as myself.
