Yeah, admittedly the article is of the basscar genre (it's on bass pro's website). I think the pic illustrates the origins of the word "overkill." Regardless, it's got some good general info on when and where.

addicted, i enjoy keeping a few nice crappie over the course of the year for the pan too-they are called panfish for a reason. In my opinion there aren't many fish that are better tasting than crappie and perch.
